If you are registered at two national universities you must pay the student union fee to both student unions. However, it is possible to apply for a refund of the healthcare part. You should apply for the refund from the student union to which the last payment was made.

The deadline for the application is **30th of September** concerning the autumn semester and the whole academic year and **31st of January** concerning only the the spring semester. Refunds submitted later than above mentioned dates will not be processed.

You must also attach receipts of both payments (for example screenshots). Please make sure that the date of the payment and archive code is visible on the receipts. This form with attachments is to be sent to kansli@shs.fi with the subject "Refund of healthcare fee".
